## Who Are We?

Gulf Trans Power is the leading stockiest and manufacturer's representative of Electrical & Control Products in KSA. We specialize in bringing to you leading brands of quality products from around the world.

"GTP focus on revitalizing the concept of Trading business by empowering the customers for taking advantages on the three factors like Cost, Quality and Timely delivery."

## Vision

"To be an exemplary & leading company in electrical industry for all aspects"

## Mission

"GTP believes that we are successful only when our Customers are successful. We will realize this mission by setting the highest quality standards in products, service, reliability and integrity in the industry"

## Industries Serving

Construction

Oil and Gas

Manufacturing

Marine and Shipping

Energy

Tele Communication

## Why Chose Us?

We go from strength to strength; making us the right partner for any electrical and automation requirements we differentiate ourselves through the following,

1

### Proven Track Record

We have an unmatched track record in supplying a wide-range of electrical and control products for many prestigious projects.

2

### Technology Adaption

We as a trading company continuously update the knowledge level of our team and we believe that "we are changing the world with technology".

3

### Flexibility

We have a wide product range, which ensures flexibility and availability of stocks for our customers.

4

### Competitiveness

Our low overhead cost and streamlined operations allow us to provide products with very competitive value.

5

### Customer Service

Our clients our top priority, and our highly skilled workforce adheres to the philosophy that "Good Service is Good Business".

"We are committed to Deliver Quality Products on Time, every time, Achieving Customer Delight through Compliance to Quality Standards and Continual Improvement."

## Cables

GTP's offers full range of cables & wiring solutions to its customers with unmatched technical support and commercial benefits. Our product offerings are Power Cables, Instrumentation Cables, Cathodic Protection cables and all kind of specialized cables. We are one of the major stockist for cables in GCC region with partnered to many established cable manufacturers from KSA and across the globe

### Control and Power Cables

- Low Voltage cables,
- Medium Voltage cables,
- High Voltage cables,
- Grounding cables,
- Flexible cables
- Building Wires
- Aluminium conductor steel reinforced cables

### Special Cables

- High Temperature cables
- Fire resistance cables
- Solar Cable
- Rubber Flexible cables
- Metal clad cables
- Overhead Conductors

### Instrumentation and Process Cables

- Instrumentation cables – Type PLTC,
- Instrumentation cable – Type TC,
- Thermocouple Extension cable – Type PLTC,
- Lead Sheathed cables,
- Foundation Fieldbus cables

### Cathodic Protection Cables

- Negative single insulated cables,
- Positive double insulated cables
- KYNAR cables

### Data and Communication Cables

- Optical Fibre cables,
- Coaxial cables,
- Data cables – LAN-UTP,
- System cables,
- Telephone cables

## Cable Management

GTP offers full range cable management solutions to its customers. An electrical system is only as reliable as its conductors and conduit systems & fittings which provide unsurpassed protection for wire and cables in the most demanding applications. Our product offerings are categorised to Conduits & Accessories, Cable glands & lugs, Fastening Solutions, Tray & Trunking Solutions, Termination & Joints and Insulation Materials.

### Conduits & Accessories

- EMT Conduits
- Rigid Steel Conduits
- GI Conduits
- PVC Coated Conduits
- PVC Conduits
- Flexible Conduits

### Fastening Solutions

- Cable Cleats
- Cable Ties (Nylon & Stainless Steel)
- Band & Buckle
- Adjustable Clamping Systems
- Mounting Hardware & Brackets

### Cable Glands & Lugs

- BW & CW Type Glands
- A2 & A4 Type Glands
- Ex rated Cable Glands – E1FW & E2FW Type
- E1W & E2W Type Glands, CW Aluminium Glands
- A2F Type Glands
- PG Type Glands
- Pin / Ring / Fork / Socket Type Cable Lugs
- Aluminium / Copper / Bimetallic Cable Lugs
- MV/LV Multiple hole Cable Lugs

### Termination & Joint

- Termination Kit
- Joints & Splicing Kit
- Insulating Boots
- Earthing Kit

### Tray & Trunking Solutions

- Cable Tray Systems (Aluminum, Stainless Steel, PVC & Epoxy Coated)
- Cable Ladder Systems
- Cable & Floor Trunkings
- Bench Trunkings
- Busbar Trunkings & Accessories
- Canti Lever Arms

### Insulation Materials

- PVC / Rubber / Insulation Tapes
- Fire Retardant Tapes
- Color Coded Markers
- Marker Ferrules
- Self-adhesive Wire Markers

## Electrical Bulk Materials

GTP offers entire range of Industrial & Hazardous area fittings as electrical bulk materials. We hold a huge stock of these materials and offers an extensive technical support to customer. We deal with Rigid Galvanized Steel (RGS) Electro Metallic Tube(EMT) PVC & Epoxy Coated materials.

### Industrial Fittings

- Conduit Fittings
- Conduit Bodies and Outlet Boxes
- Service Entry Fittings
- Cord Fittings

### Fittings Accessories

- Connectors
- Couplings
- Clamps
- Straps
- Clampbacks
- Union Elbow
- Tee
- Reducer
- Bushings
- Nipple
- Washer
- Plug

### Hazardous Area Fittings

- Conduit Fittings
- Conduit Bodies and Outlet Boxes

## Earthing and Lightning Materials

GTP provides total solutions for Earthing & Lightning Protection which gain complete protection against all the risks from electrical surge. We support our customers with multiple branded product and a total solution approach which suits their design requirements. We stock and sell all range of products related to Earthing, Gronding & lightning protection.

### Grounding and Bonding

- Grounding Busbars
- Compression connectors
- Mechanical Connectors/Clamps
- Neutral bars
- Static Discharge Reels

### Lightning Protection

- Bare Conductor (Copper & Aluminium)
- Lead/Tin Covered Conductor
- PVC/LSOH covered conductor
- Flexible Braid
- Flexible Braid Air Rods
- Air rod bases & Saddles,
- Rod brackets & Coupling ,
- Strike Pads,
- Multiple Points,
- Free standing air terminations

### Earthing Materials

- Earth Rods
- Inspection Pit
- Earth plate
- Earth Pit

## Junction Boxes

GTP is very strong in giving explosion proof range of products and solutions. We deal with Industrial Enclosures, Ex Rated Enclosures, Control Station & Switch racks

### Industrial Enclosures

- Aluminium enclosure
- Polycarbonate enclosure
- Stainless Steel Enclosure
- MS Enclosure
- ABS
- Polyamide Enclosure

### EX Enclosures

- Aluminum Ex
- Polyster Ex
- Stainless Steel
- Ex d Enclosures

### EX Control Station

- Control Station
- Switch racks

## Lighting Solutions

GTP's lighting division is aimed at creating a business that can offer a wide range solutions to Industrial requirements. We are specialised in explosion proof and hazardous area lighting. We re the distributor for several leading manufacturers from all over the globe. Our product offerings are

### Industrial Lighting

- Explosion-proof fluorescent fittings
- Explosion-proof flood lights
- Low Bay and High Bay fittings
- Reflector Batten fittings
- Weather-proof fluorescent fittings

### Lighting Poles

- Octagonal Poles
- Round Stepped Tapered Poles
- Conical Poles
- High Masts
- Aluminum Poles, Decorative and Smart Poles

## Switch Gear Products

GTP is the leading distributor for international brands in the field of electrical switch gear products. We stock and sell all kinds of low voltage switchgear components adhering to either IEC or NEMA standards

- Miniature Circuit Breaker(MCB)
- Moulded Case Circuit Breakers (MCCB)
- Air Circuit Breakers, Contacotrs
- Disconnecter switch
- Safety Switches
- Distribution board
- Control Components
- Industrial Plug & Socket
